Community Computer Center

August 12, 2013

There are thousands of people who do NOT have basic computer skills in Alabama. Joblessness and poverty is at an all-time high in this state as well. We can do something about those staggering statistics by teaching people basic and advanced computer skills for better opportunities.

StartNowLearnNow Community Computer Center Corp. is a non-profit organization on a mission to provide a supportive learning environment that enables the community to learn basic computer skills for better opportunities.

We are asking for your support by sponsoring our fundraiser “**Community Yard Sale**” at the **Northeast YMCA 628 Red Lane Road, Birmingham, AL 35215 on Saturday, September 7, 2013 from 7am-12noon.** This fundraiser effort will benefit the community by providing much needed funds for the **FREE COMPUTER CLASSES** at this YMCA location.

WE NEED NEW OR USED COMPUTERS FOR THE KIDS AND THE ADULTS IN THE COMMUNITY!

There are several small ways which will help make a huge impact:

Donation items from your business (raffle items) Gently used items too!

Fund Raiser Volunteers Refreshments

Scholarships for students (Registration & Workbook - \$25.00)

Classroom Supplies (Copier paper, 2 inch binders, labels, inserts, markers, etc.)

This is a great way to advertise your business, and let the community know you support economic development in our neighborhood. **In addition, your business will highlight on our website for 30 days at no cost!**

www.startnowlearnnow.info

With your support, we CAN close the gap of computer illiteracy in Birmingham and the State of Alabama for better opportunities for all.

We can arrange for pick-up of the donations at a date and time that is convenient for you. Should you need any additional information, please feel free to contact us! We thank you in advance for your support. All donations are taxed deductible.

Sincerely,

Jerenita Leavy
